First Hired, Last Fired: How to Become Irreplaceable in Any Job Market

Death Defied, Life Defined: A Miracle Man's Memoir

"There are some things in life we'll never get over, but we can get through, where pain-filled people may laugh yet again."

This is Anita Brooks' philosophy whether she's coaching, training, speaking, or writing on matters of business, life, or love. A woman who has overcome much adversity, and knows it's never too late for a fresh start with fresh faith.

Anita inspires audiences around the world. She is known for her catch phrases with powerful messages, dynamic energy, mesmerizing storytelling skills, well researched material, and insightful wisdom. She is often accused of making grown men and women cry and laugh – sometimes within the same breath.
