Ladies, Are You Just Not in the Mood?

Not in the mood for loneliness.
Not in the mood for pain.
Not in the mood for anger.
Not in the mood for the vain.
Not in the mood for abuse.
Not in the mood for lack.
Not in the mood for bitterness.
Not in the mood for sad sack.

But **ARE** you in the mood to...
**Cast Your Worries,
Anxiety, and Cares aside,
so you can laugh, love &
live!**
